To whom it may concern,

I am writing today on behalf of the Saskatoon Second Chance Food Committee. Our group, which includes representatives from the Saskatoon Food Bank, The Friendship Inn, CHEP Good Food Inc. and the SK Waste Reduction Council (among others) is dedicated to engaging the community in the issue of food waste and is committed to creating and supporting mechanisms for food reclamation and reuse in Saskatoon.

In May, we spoke to SEAC about our hope that the City of Saskatoon will engage with us in matters of food waste and reclamation as they move forward on the Climate Change Action Plans and Waste Diversion policy making. SEAC has sent a letter in support of our initial ask (CK. 7830-1) to the SPC EUCS Secretary and have been told they will take it under advisement. At this juncture, we would like to request the opportunity to speak to the Committee in person regarding this matter at their coming meeting on June 11th at 9am. We very much appreciate your time and consideration, and look forward to your reply. Thank you very much.

Sincerely,

Stefanie Foster
Chairperson, Saskatoon Second Chance Food
