Naming Advisory Committee Report – Second Quarter 2018

Recommendation of the Committee

That the information be received.

History

At the August 14, 2018 Standing Policy Committee on Planning, Development and Community Services meeting, a report of the General Manager, Community Services Department, dated June 14, 2018 was considered.

Your Committee was advised that after consideration of the naming policy and its guidelines and consultation with Administration, the Naming Advisory Committee recommended to your Committee that the names 'Haverstock', 'Mantyka', and 'Nyholt' be added to the Names Master List (Unassigned). This has been approved by your Committee. Your Committee is forwarding the Second Quarter Report of the Naming Advisory Committee to City Council for information.

Your Committee was also advised that the Naming Advisory Committee deferred decision on the seven residual names from the bridge project pending further information regarding ranking, evaluation and language appropriateness/preference. In addition, the Naming Advisory Committee did not believe the 'Chalmers' or 'Lokomotiv' applications met the guidelines set out within the policy.
