

Original Submission - Mantyka

==Naming==

Requested name: MANTYKA, CRESENT

Requested use of name: All the below

Background Information (Reason for name request):

Chris Mantyka was from Saskatoon and was one of the four Swift Current Broncos that was killed in a bus accident in 1986. The other 3 members that past away with him had streets or cresents named after them in their memory in their local town or city, the city of Saskatoon did nothing. After the recent Humbolt Broncos bus accident many things are going to be done in memory of the ones that passed away. 32 years have past since the Swift Current Broncos accident has happened and many memories came flooding back for family and friends during this terrible time for the Humbolt Broncos tragedy for their families and friends. I think it is long overdue the the City of Saskatoon recognize a Saskatonian that died in such a terrible accident.
