Comments: Regarding to interim funding I would like to advise caution as budgets are tight .as the preliminary tax increase is between 4.5and 5%. I urge city council to use extreme caution and not approve this request of funding .as other needs are not funded ie :ramps on corners of blocks where schools are in areas or where seniors are living on those blocks .as layoffs happen and people lose their jobs their budgets are tight and it is not the right time for city council to fund this interim funding at this time thank you
