Comments:

As manager of a tenant business at the SFM, I wish to add some contextual considerations to the deliberations of the City Council regarding the upcoming Request for Proposals. I intend to remind the Council that we are the largest municipality in the strongest agricultural territory in Canada, and that the Farmers who have brought us to this point are in danger of losing their community, their commerce, and - in many cases - their primary livelihoods.

I hereby request the opportunity to speak regarding these matters at the Regular Business Meeting to be held at 1 pm on September 24th.

Thank you.
RJ. Nichol
