Subject: Future of Farmer's Market - request to speak

Meeting (if known):

Comments: I am a commerce student at the university and have been working at the Saskatoon Farmer's Market for about ten years. The recent talk about making it a public and farmer's market has me very concerned for the future of the space and our local producers. I will be coming to the city council meeting after my class and would like to speak in front of city council. Thank you.
