Meeting (if known):

Comments: I have been a patron of the Saskatoon Farmers Market for decades. My family and I frequent the market for locally sourced produce of all kinds, and meet friends for lunch in a very unique atmosphere. Out of town friends marvel at what the farmers market presently is. Plans to change the market worry me. Please keep the market as it is. Other cities have tried to incorporate retail outlets into their markets to their detriment. LETS NOT LOSE OUR FARMERS MARKET. Thank you.
