Subject: Saskatoon Farmers Market
Meeting (if known):
Comments: Please, please reconsider such major changes to the farmers market. I just got home from France, the gold standard for farmers markets. Even there, the absolutely highest standard is to the owner/operators at the markets. We need to support our wonderful producers, not expect unattainable goals of them. These are not rich people, just producers who love what they do & appreciate the support that we give them. Please do this, on our behalf.
