Meeting (if known):
Comments:
I strongly feel the Farmers Marker should be granted another lease.
I strongly believe it should remain a market for farmers or producers only,
as it is now. They provide us with good quality that we can trust.
If people could sell things they didn't grow themselves it would harm our farmers as
people could bring in non-organic cheaper produce and present as there own.
We have a beautiful market and I believe it should be kept as is.
If not I would go where our present farmers went and shop there and not at our present
market. I live in the Banks and the Farmer's Market is one of the reasons I'm there.
Please keep our Market! Keep our Food Healthy for our present tenants and for all the
new people who will be moving into our area. Healthy Food is important to our Health.
Thank you very much
Patricia Lyon
(I'm unable to attend because I'm currently in the UK where Organic Food and local
produce is in the mainstream here)
