Comments:

Dear Mayor Clark and City Councillors,
I am writing to express support for renewing the lease of the Saskatoon Farmers Market at River Landing. A vibrant Farmers Market that provides a venue for farmers to market food directly to consumers is an important part of Saskatoon's food system and is different than a 'mixed or public' market with a much broader focus.
The demand for local food is increasing and Saskatoon should increase support for more local food access rather than consider options that will lessen the ability of the Farmers Market to thrive.
Sincerely,

Gord Enns
Executive Director
Saskatoon Food Council
