RE: THE COMMUNITY SUPPORT PROGRAM

This letter is being written in support of the Community Support Program in Saskatoon. Partners in Employment, a division of SaskAbilities, is located on the 300 block of 2nd Avenue North, and utilizes the assistance of the Community Support team frequently. The Community Support Officers have developed a strong reputation, through their consistent and prompt response times, the helpful information they provide, and their professional and courteous dispositions when dealing with staff or members of the public visiting the Partners in Employment office. We appreciate their expertise and the direction they provide in critical situations. The Community Support Program is an excellent service and it is our hope that this is a service the City of Saskatoon continues to provide to our community.

Sincerely,

Emily Hurd, Program Manager
