

GOVERNANCE AND PRIORITIES COMMITTEE

Governance Review – Advisory Committees – Governance Structure

Recommendation of the Committee

That prior to reconsideration of the recommendations contained in the report of the City Solicitor dated September 17, 2018, the Governance Subcommittee, in collaboration with the Community Services Department, undertake consultation with the proposed membership of the Community Wellbeing and Safety Advisory Committee regarding its mandate and composition.

History

The Governance and Priorities Committee, at its meeting held on September 17, 2018, received a report of the City Solicitor regarding the above. The report specifically addressed previously deferred consideration of the proposed Terms of Reference for the Community Wellbeing and Safety Advisory Committee.

Your Committee resolved that the matter be further deferred to its June 2020 meeting and requested interim work of the Administration as recommended above, which requires the direction of City Council.
