Summary of Other Municipal Programs

Regina, SK	Purchasing Procedures Manual
"The Contract and Procurement Project is a corporate initiative for the City of Regina. With many of the City's contracting, purchasing and consultant management practices dating back many years, this project is a chance to take a comprehensive look at how we procure goods and services and manage vendors, resulting in the implementation of leading practice policies and processes that will meet the needs and expectations of a growing community."	

Winnipeg, MB	Materials Management Policy
Includes definitions of "Sustainable Goods" and "Sustainable Services". "Working on Appendix to current policy. Developing procurement 'standard'."	

Calgary, AB	Sustainable Environmental and Ethical Procurement Policy (SEEPP)
"Procurement & Warehousing provide procurement, inventory, and warehouse services to the City. We support the City by following public procurement law, trade agreements, and City policy. We support City businesses meeting operational commitments and community outcomes through the delivery of goods and services at appropriate quality and cost. Considering the political, legal, economic, social, and technological environments and applying supply chain expertise helps the City deliver value on your investment."	

Toronto, ON	Social Procurement Program
Excerpt from Social Procurement Policy: "**1.2.1** Purchasing and Materials Management Division will work with supplier certification organizations to obtain a list of diverse suppliers **1.2.2** As part of the City's Divisional Purchase Order Process, City divisions shall review the list obtained under **1.2.1** and, where feasible, attempt to include at least one (1) quotation from a diverse supplier when undertaking the Divisional Purchase Order process."	

London, ON	Procurement of Goods and Services Policy
Includes mission statement on "Sustainable Purchasing": "The City of London's procurement objective to achieve best value for the City by considering the full life cycle of products and their complete economic, environmental and social costs and benefits."	

Vancouver, BC	Procurement Policy
Includes definitions of "Social Enterprise", "Social Sustainability", and "Social Value".	

Saskatchewan Urban Municipalities Association (SUMA)	Truth and Reconciliation Policy
"SUMA Position Statement: Municipal governments have been called to take action in promoting reconciliation. SUMA encourages urban governments to engage in reconciliation, and calls on the federal and provincial governments to commit to work, in conjunction with Indigenous organizations, to: • create new tools to encourage regional cooperation between urban municipalities, rural municipalities, and First Nations; • develop materials on fostering economic development between urban municipalities, rural municipalities, and First Nations; and • work on information to provide guidance on creating urban reserves, and best practices."
