

STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES & CORPORATE SERVICES

Storm Water Management Credit Program

Recommendation of the Committee

1. That a Storm Water Management Credit program for Industrial, Commercial, Institutional and Multi-Unit Residential properties be implemented to provide the following maximum credits in three categories up to a total maximum credit of 50%:
 - a. 20% for water quality treatment;
 - b. 30% for reducing storm water runoff peak flow through on-site detention;
 - c. 50% for reducing storm water runoff volume through on-site retention; and
2. That the City Solicitor be requested to amend the new Storm Water Management Utility Bylaw, 2019 to include the approved Storm Water Management Credit program for implementation effective January 1, 2019.

History

At the November 6, 2018 Standing Policy Committee on Environment, Utilities & Corporate Services meeting, a report from the A/General Manager, Transportation and Utilities dated November 6, 2018 was considered.
