

STANDING POLICY COMMITTEE ON TRANSPORTATION

Request to Exceed in Excess of 25% of PO 360837, Cummins Engine Repairs and/or Parts

Recommendation of the Committee

1. That the Administration be given approval for PO 360837 with Cummins Western Canada for repair of engines and/or engine parts for Transit Bus engines to exceed 25% of the blanket order value and be extended by \$1,092,295.08 including taxes; and
2. That Purchasing Services issue the appropriate change order.

History

At the February 11, 2019 Standing Policy Committee on Transportation meeting, a report of the A/General Manager, Transportation & Construction dated February 11, 2019 was considered.
