Comments: I am writing this comment concerning the boulevard @ 201 7th Street East. In 2008 we approached the city in regards to buying a portion of the boulevard. As we started the process we received a letter from the city saying they were not going ahead with the sale. It was never offered as a lease and we had no idea it could have been an option. At present I feel we should at least be offered a chance once more to purchase a portion of the boulevard. Regards Scott Cranston
