

Civic Conservatory Programming Options

'Expand' Option Goals:

1. Family and community usage;
2. Embrace the space as a multi-cultural gathering location;
3. Explore ways of representation of a diverse community;
4. Conservatory as a 'connection hub'; and
5. Provide for indoor and outdoor horticultural education.

'Link' Option Goals:

1. Maintain the historic building axis;
2. Address the technical requirements of the Conservatory;
3. Connect gently to the existing Conservatory;
4. Take advantage of the potential for multiple levels; and
5. Address the elevation difference between the Meewasin Trail and the Mendel Building lobby.

'Modular' Option Goals:

1. A gradient of programming for multiple experiences;
2. Safe crossing of Spadina Ave;
3. The idea of the 'non-space' – the existing Conservatory building without plants;
4. Pedestrian accessibility in and out of the building; and
5. Historical connections: Memorial Garden enclosure.

'Pronged' Option Goals:

1. Re-orient Conservatory entrance to the south;
2. Embrace the function as a communal gathering space;
3. Break with the historic building axis;
4. Separate 'commotion' from 'contemplation'; and
5. Create 'cutting edge' new conservatory space.
